

## **Wavemaker Fellowship List of Qualifying Categories of Occupations**

*(Adapted from Bureau of Labor & Statistics guidance)*

- Actuaries
- Aerospace engineering and operations technicians
- Aerospace engineers
- Agricultural engineers
- Agriculture and food science technicians
- Animal scientists
- Architects
- Architectural and civil drafters
- Astronomers
- Atmospheric and space scientists
- Biochemists and biophysicists
- Biological scientists
- Biological technicians
- Biomedical engineers
- Chemical engineers
- Chemical technicians
- Chemists
- Civil engineering technicians
- Civil engineers
- Commercial and industrial designers
- Computer and information research scientists
- Computer hardware engineers
- Computer network architects
- Computer network support specialists
- Computer occupations, all other
- Computer programmers
- Computer systems analysts
- Conservation scientists
- Database administrators
- Drafters, all other
- Electrical and electronics engineering technicians
- Electrical engineers
- Electrical and electronic drafters
- Electro-mechanical technicians
- Electronics engineers
- Engineers, all other
- Environmental engineering technicians
- Environmental engineers
- Environmental science and protection technicians
- Environmental scientists and specialists
- Epidemiologists
- Financial analysts and advanced financial mathematicians
- Food scientists and technologists
- Forensic science technicians
- Forest and conservation technicians
- Foresters
- Geological and petroleum technicians
- Geoscientists
- Graphic designers
- Health and safety engineers
- Health diagnosing and treating practitioners
- Health technologists and technicians
- Hydrologists
- Industrial engineering technicians
- Industrial engineers
- Information security analysts
- Life scientists

Last updated March 1, 2018

Please note: This is not an exhaustive list of eligible occupations. All occupations will be reviewed for eligibility requirements using information gathered during the application process.

- Life, physical, and social science technicians
- Marine engineers and naval architects
- Materials engineers
- Materials scientists
- Mathematicians
- Mathematical science occupations, all other
- Mathematical technicians
- Mechanical drafters
- Mechanical engineers
- Mechanical engineering technicians
- Medical device engineers and technologists
- Medical scientists
- Microbiologists
- Mining and geological engineers
- Network and computer systems administrators
- Nuclear engineers
- Nuclear technicians
- Operations research analysts
- Petroleum engineers
- Physical scientists
- Physicists
- Social and plant scientists
- Software developers, applications
- Software developers, systems software
- Statisticians
- Surveying and mapping technicians
- Web developers
- Zoologists and wildlife biologists
